Vision

To become centre of excellence in computing and research where future generations embrace technologies wholeheartedly and use its possibilities to make the world a better place to live.

Mission

Enlight the young talents to achieve academic excellence as well as professional competence by imparting state of the art knowledge in computing and to be admirable individuals with ethical values and appropriate skills.

ABOUT ICCIDT 2021

ICCIDT is a prestigious International conference organized by Department of Computer Science and Engineering, Mangalam College of Engineering. This conference will be a great platform for Researchers, academicians, students and Industries to come together and discuss on multiple real-time or classical problems and to suggest the possible solutions.

ABOUT THE COLLEGE

Mangalam College of Engineering Ettumanoor is one of the institutions under Mangalam Educational Society which started functioning from the year 2002 and offer courses at the undergraduate level in five areas of engineering and at the post graduate level in five areas. The various blocks are spread over 25 acres with a built up area of about 160000 sq. meters.

ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering at Mangalam College of Engineering, was formed in 2002 to cater the need of trained person power in computer technology. The first undergraduate batch rolled out in the year 2006. Currently the department has nearly 480 undergraduate students (BTech) and nearly 36 postgraduate (M.Tech) students.
