RAJAGOPAL POLYTECHNIC COLLEGE

The ambition and initiative of the great industrialist Late. Shri. B. RAJAGOPAL NAIDU to provide technical education facilities to the youth of Vellore district was the chief cause for establishment of Rajagopal Polytechnic College in 1960. This Polytechnic College was started under the second five year plan of the Government of India, sponsored by the RAJAGOPAL EDUCATIONAL TRUST.

The Polytechnic College is located on a 16 Acres plot in the Gudiyattam – Katpadi Road, 2Kms from Gudiyattam and 28Kms from Katpadi. The Polytechnic College has calm atmosphere conducive for sound education.

The college is offering three year Diploma Courses in Civil, Mechanical, Electrical & Electronics, Electronics & Communications & Automobile Engineering. All the courses are accredited by National Board of Accreditation, New Delhi.

Equipped with established Laboratories, CNC Machines, Special Machines shop, Electrical Machines Lab, etc., The College also offers skill development and R&D facilities to enhance the industry readiness of its students.

The Faculties are dedicated to profess Outcome Based Education. Our College has Industry Institute Interaction with 10 numbers of Industries through MOU for mutual co-operation.

Personality development, Exposure to latest technology through Seminars, Workshops and Training in real time projects through industry interaction support. Dedication and devotion of faculty coupled with the interest of students help us to synergize the efforts of the institution to pursue our vision.

The Polytechnic College has been maintaining high standards of discipline and produce uniformly excellent results.

The Institution is affiliated to the Directorate of Technical Education, Government of Tamil Nadu, Chennai and the overall management of the institution is vested with the governing council under the able leadership of Shri. S. BALAKRISHNA, Chairman.
