ADVANCES IN
SMART COMPUTING
AND DATA SCIENCE
NCASCD`23 **MAY 24-25**

ABOUT THE CONFERENCE

The real world offers many models and paradigms for engineers in the area of Computer science and Engineering. The purpose of the National Conference on Advances in Smart Computing and Data Science is to bring together practitioners, academics, and students to discuss interesting problems and potential solutions, share research findings, and advance knowledge of recent advancements in the field of control and computation. The primary goal of the conference is to showcase emerging trends in data science and smart computing.

ABOUT THE INSTITUTION

Mar Baselios Christian College of Engineering & Technology, Kuttikkanam, Peermade, is a self-financing institution for professional Education, affiliated to Kerala Technological University & Mahatma Gandhi University and approved by All India Council for Technical Education (AICTE), New Delhi. The College is owned and managed by the Malankara Orthodox Syrian Church, which plays a paternal role in the institutions establishment and operations. The institution focuses on offering baccalaureate degree programs in various Engineering streams.

ABOUT THE DEPARTMENT

The department of Computer Science and Engineering started functioning in the year of 2001 with a mission focused on preparing world class computer professionals through proficient mentors and researchers and to build quality engineers to excel in their profession to satisfy the global needs. The department has well qualified experienced and hardworking faculty who are committed in developing the skills of the student in the field of computer science.
